CLEANS AND DESCALES

MFC® Powder Red is a high performance descaling and cleaning powder suitable for cleaning milk lines, frothers and parts of automatic espresso machines. Alternating cleans with MFC® Powder Blue will provide an all-over clean for all milk components.

ECONOMICAL

Just 10g (3 scoops) needed for each clean.

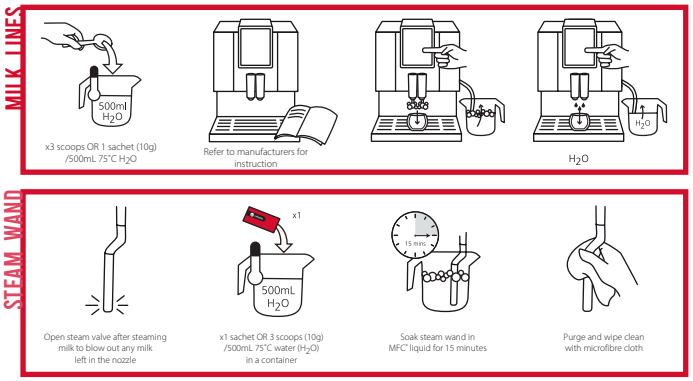

SAFE FOR YOU AND YOUR MACHINE

Non corrosive formulation that is safe for all espresso machine and coffee brewing equipment parts.

HOW TO USE

TO CLEAN MILK LINES AND FROTHERS

- Flush milk out of system with 500mL of fresh water.
- Add 10g (3 scoops) to 500mL (2 cups) warm water (75˚C) in a container or jug.
- Stir until powder is completely dissolved.
- Flush the entire solution through the milk system following the machine manufacturer's cleaning instructions.
- Once the solution is dispensed, rinse the container. Fill the container with 1 litre (4 cups) of clean water and flush through the milk system to thoroughly rinse.
